The 2019 Cabernet Sauvignon Star Lane Vineyard is a very pretty and expressive Happy Canyon Cabernet. Silky and perfumed, the 2019 offers gorgeous floral intensity to play off a core of dark red-fleshed fruit. This medium-body, savory Cabernet checks all the right boxes. It is quite impressive in this tasting.

A vast, expansive ranch, Star Lane is home to some of the finest Cabernet in Santa Barbara. I tasted a handful of prior vintages with winemaker Tyler Thomas, all of which appear to be built for the long haul. The Astral Cabernet, mostly from own-rooted vines, is the top wine here, while the straight Star Lane bottling remains one of the finest values in Cabernet Sauvignon.

Excellence in California Cabernet

- One of America's great Bordelaise vineyards. The Dierberg family planted the vineyard in the 90s and started harvesting in 1998, 11 years before Happy Canyon would be recognized as an AVA.
- Family-owned, estate vineyard. **Certified California Sustainable**, Star Lane Vineyard also contains the largest growth of own-rooted Cabernet in America.
- World-class quality, with balanced alcohol and specific estate character demonstrating the cooler climate of the elevated Happy Canyon terroir.

“[The 2018 Star Lane Vineyard Cabernet is] a classy, impeccably balanced Cabernet Sauvignon that shows the style of quality of this estate, it’s going to keep for 15+ years.”
